Activities in Lauterbrunnen Valley

For Sarah and Michael

The closest and most famous attraction from Wengen is the Jungfrauoch - Top of Europe, the highest railways station in Europe (3550 metres above sea level) with view on the Aletsch glacier, the longest of the Alps. several activities and restaurants available as well.

Another highlight is the visit of the rotating panorama restaurant on the Schilthorn summit (2970 metres above sea level) with an incredible view over all summits of the Bernese Alps. A James Bond Movie was filmed there.

The "Royal Ride" on the open air balcony of the cablecar from Wengen to the Männlichen mountain with the best view on Eiger, Mönch and Jungfrau.

Visit the Lauterbrunnen Valley with its 72 waterfalls. The Staubbach fall and the Trümmelbach falls are listed as two of the most impressive waterfalls in Switzerland.

Relax on a Private day trip from Interlaken to Thun, Spiez, and the Lakes.

The Swiss Open air museum Ballenberg is a stroll through the past. More than one hundred century-old buildings from all over Switzerland, 250 farmyard animals, traditional, old-time gardens and fields, demonstrations of local crafts and many special events create a vivid impression of rural life in days gone by. NOTE: The destination may take 1.5-2 hours by train.

Lauterbrunnen Tourism office offers base jumping, parasailing, and other outdoor activities during the summer season.
